MATTERS ARISING AT MEETING

AORC Sporting & Technical Report

The CEO Delegate reported that whilst dates for Kalgoorlie and Loveday were in place, it was looking increasingly like the borders between States would not be open in time for these events to take place. On that front, it makes running a National Championship difficult. Motorsport Administration are currently investigating options for the two rounds

Self Scrutiny Form

FS raised some issues with the Off Road Self-Scrutiny Form, highlighting a number of changes he believed would be relevant. These included brake pedal height, handbrake and brake lamps. After discussion, it was decided to send the proposed amendments to Motorsport Australia Technical for review.
