Dear applicant,

Neurologist report - Epilepsy

To enable us to process your competition licence we require a current report from your Neurologist regarding your Epilepsy.

The report must include the following:

- Stability of your condition
- When you were first diagnosed
- When you had your last seizure
- What medication you are currently taking and dosage
- When was the last time you took medication for this condition
- Opinion on your fitness to compete in motorsport

We are keen to issue your licence and will appreciate your response to this request. Please attach this letter to the front of your medical report and forward it to:
