

16 December 2020

Dear QLD Circuit Competitors,

Please find below important information regarding the allocation of competition numbers in the upcoming QLD Circuit Championship.

- Competition numbers will be valid indefinitely going forward, i.e., if you have an existing number for the 2020 season it will stay valid and assigned to your name. Numbers will however be automatically considered released if the competitor has not held a competitive Motorsport Australia license in the preceding two years.
- Unlike in previous year, triple digit numbers will now be made available only if single/double digits are not available.
- As always, event organisers reserve the right to change the QLD allocated numbers at their sole discretion.
- A competition number will only be allocated to holders of current Motorsport Australia Circuit License or Competitor Licenses and who hold a Motorsport Australia vehicle logbook.
- Below is a copy of the current allocation of numbers.
- Please fill out the attached form, only if you are looking to change your number.

If you have any questions, please feel free to contact us on gld@motorsport.org.au

Regards,
Motorsport Australia
