2021 Queensland Circuit Racing State Championship Sporting Regulations - QSC20.0124

Date of implementation: 1 January 2021**Authority:**

Resolved that the authority of the '2021 Queensland Circuit Racing State Championship Sporting Regulations', be confirmed and that the document authority be identified as '2021 Queensland Circuit Racing State Championship Sporting Regulations - QSC20.0124

Held in accordance with the International Sporting Code of the FIA, the National Competition Rules (NCR) of Motorsport Australia and Motorsport Australia Circuit Race Standing Regulations.

1: Championship Regulations:

- 1.01 Should a State Championship race be conducted at a National Championship event, each race must comply with these Regulations. Any exception will be at the sole discretion of the Queensland State Council.
- 1.02 There will be at least one Championship race conducted at each event for each category participating at that event and conforming to the minimum entry requirement.
- 1.03 Championship-Races will be of a minimum aggregate race distance of 60km. A category may specify varying race durations within this overall total distance.
- 1.04 To qualify as a 'Championship Round' there must be a minimum of 6 bona fide entries, who participate in a part of the event for the category for which the round is being conducted. When a race is conducted for a category concurrent with another category, the status of 'Championship Round' will apply only to each category that meets this criterion.
- 1.05 Each round will count unless determined otherwise.
- 1.06 An event promoter may invite an entry from a competitor in any category listed in these regulations at each Championship round.
- 1.07 A non-Championship category may participate at a State Championship race event.

2: Point Score:

- 2.01 For each category, points will be awarded as follows to outright placegetters in each race:

Place	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20
Points	30	25	22	20	18	16	14	13	12	11	10	9	8	7	6	5	4	3	2	1

- 2.02 Fastest lap in each championship race shall be awarded 1 point.
- 2.03 A competitor achieving pole position in qualifying for the first championship race at each event shall be awarded 1 point.
- 2.04 The competitor achieving the highest number of points accrued in the championship/series for the category will win the championship for that category. However, if more than one competitor achieves the same number of points, the winner will be:
 - a) The competitor who achieves the greatest number of 1st places.

- b) If the number of 1st place achievements is the same, the competitor who achieves the greatest number of 2nd places.
- c) If the number of 2nd place achievements is the same, the competitor who achieves the greatest number of 3rd places, and so on until a winner emerges.
